NSW Public Sector Community of Finance Professionals

ENHANCING YOUR CAREER

Wed 3rd December 2008

**William Wilkins Gallery, Department of Education & Training
35 Bridge Street, Sydney**

This special workshop on how to build or boost a successful finance career will feature experts in professional development and live case studies of finance executives who have masterfully managed their careers.

Each participant will partake in a workshop tailored to different stages of career development. Concurrent sessions will be:

a) Early to mid career:

Choices and career enhancement techniques; &

b) Career development for the senior finance professional

And you will receive step-by-step guidance to completing your own personalised Career Plan.
