

COMMUNITY OF FINANCE PROFESSIONALS
NSW PUBLIC SECTOR

NSW Public Sector Community of Finance Professionals

Charter

Our Mission is to generate and maintain an active community of finance professionals encompassing all organisations in the NSW public sector that will:

- Foster and promote the sector as a place to work and build a professional career
- Assist people working in the sector in accounting and finance roles to:
 - » build contacts and a support network
 - » expand their career opportunities
 - » keep their technical knowledge up to date and have easy access to information about emerging best practice in their areas of interest
 - » share their ideas and experience to help others
 - » draw upon others to solve problems more efficiently and effectively
 - » actively contribute to improving strategies and practices for accounting and financial management across the sector
 - » add further value within their organisation through generating ongoing improvements in its accounting and financial management.
